2. The petitioner does not possess the minimum general educational qualifications for appointment as clerk. He is over aged for regular appointment as Attender in the Education Department- his date of birth being 1-7-1916.

3. Considering the difficulties in this unqualified petitioner securing a regular appointment as clerk in the Madras Ministerial Service he was advised to join the Secondary Grade Training and after completing that course to secure employment as teacher in a Local Board or Aided school. A copy of his reply dated 19-11-49 declining to accept the above advice is enclosed.

Copy of petition from K. Veerappa to the Divisional Inspector of Schools, Anantapur through the proper channel, dated 19-11-1949.

Ref:- R.O.C. No. 748-Gl-49 dated 15-11-1949 of the Divisional Inspector of Schools, Anantapur.

In obedience to your order cited above, I humbly beg to submit the following for your kind consideration and favourable orders.

I worked in the Registration Department both as section writer and clerk since 1939 to 1948 but my services were not regularised. I applied and have got the post of an attender thinking that my services as attender in your Department will be regularised.

If I am not eligible for clerk's post, I request that my services as attender from 23-12-1948 may kindly be regularised. The Harijans have no age limit who possess higher qualification than the minimum educational qualification. The attender's post requires only III Form. I am a S.S.L.C. holder who has got only 22 % in History and Geography. I have got eligible marks in all the subjects.

I am advised by your honour to join the secondary grade training. I am a very poor man having two children. There is no other income except this job. It is so difficult for me to complete the Secondary Grade training in these hard days.

If my case is recommended considering my poverty and caste, I will be given clerk's post by the benign Government. So, I humbly pray that my application may kindly be recommended to the Government

Now I am submitting the revised application to the Governmer

with two testimonials. I pray your honor to be kind enough to submit my application to the Government enclosing the testimonials already submitted along with my application dated 18-8-1949.

rule 30(a), p.195, BK.114.

Age:- The age limit prescribed for appointment of Harijans to the M.M.S. is 27 years. The petitioner is now 34 years old. In view of his previous temporary service under the Government since 1939 and in view of the fact that he is a Harijan, this department may agree to the age rule being relaxed in his favour.

× Date of birth = 1-5-1916 Saral, p.1 and p.23 of S.S.L.C.

Minimum general educational qualification:- The petitioner is a Harijan belonging to the 'Chalavadi' community. He failed to acquire the minimum general educational qualification prescribed for appointment of clerks for want of 8 marks in one subject, namely outlines of History & Georgraphy at the S.S.L.C. examination. According to the present policy of the Government, small deficiencies in marks (usually not exceeding 4 marks in a subject) obtained at the S.S.L.C. examination are condoned in deserving cases of Harijan and

Backward class candidates and the rule relating to the minimum general educational qualification is relaxed in their favour. The deficiency in this case is 8 marks in History & Geography, which is not small. The petitioner has also stated that he did not take part in the N.G.G.O's strike of 1947 and that he loyally stuck to his temporary post of l.d. clerk in the Registration Department during that period. In similar cases of non-strikers, the Govt. condoned the deficiency of even 10 marks in a subject at the S.S.L.C. examination and relaxed the rule relating to the minimum general educational qualification. As the deficiency in this case is 8 marks in one subject, viz., outlines of History & Geography, as the petitioner is stated to be a non-striker - Education may please verify this statement urgently by a reference to the concerned departmental authority - and as he is a Harijan, this department may perhaps agree to the rule relating to the minimum general educational qualification also being relaxed in his favour.

In the circumstances of the case, the proposal of Education at 'K' on p.2 ante may be agreed to in this department, subject to the condition that the rules may be relaxed to enable the petitioner to appear for the Commission's clerkship examination to be held in 1950 only, and subject to the correctness of the statement at 'L' above. H.C.M. should see, and a copy of the relaxation order should be communicated to the M.P.S.C.
